Information About the Service

A Fax2Email service allows you to send and receive a fax using your email program. By using our service customers can fax you directly using your own dedicated fax number and the fax will be delivered to your nominated email address.

A minimum term of one month is required for a Fax2Email service. If you wish to cancel your service we require written notice one full calendar month in advance of the termination date.

Important Qualifications:

- Must have an existing email account

What is Included:

- Web based self-management interface to control your service
- Ability to send and receive faxes via your regular email account
- Competitive call rates

What is not Included:

- Hardware
- Email account
- Number porting fees (apply if you wish to transfer your number from another carrier)
- Dishonour and late payment fees
- Single Fax Number

Critical Information Summary: Fax 2
