### Information About the Service

#### What is the service?

nbn™ internet service delivered via nbn™ satellite technology.

This service is not available in all areas, please visit - [<http://www.nbnco.com.au>] to see if your address is available.

#### What is required to use this service?

- You will need an address listed as being nbn™ ready
- You will need an nbn™ capable modem/router to access the service. In some cases nbn™ may need to install equipment at your premises, in some cases, a power point will be required and you will need to have approval from the building owner for the works to be completed.
- Permission from the building owner to install the roof-mounted satellite dish.

#### What is Included

- Free traffic to select
- NBN Satellite internet service

#### What is not Included

- Hardware (e.g. Router or Modem, we can supply equipment if required, a quotation will be sent to you).
- Dishonour and late payment fees
- Address transfers, if you move to another premises a new service will be ordered and your current service will be terminated and may cause a termination fee.

#### Important Qualifications

- We may suspend or cancel the service if:
- You do not pay your bill
- Breach our fair use policy - <https://url.net.au/fair-use>
- You are abusive to our staff

### Information About Pricing

#### Monthly charges:

|                               |         |
|-------------------------------|---------|
| <b>Maximum Download Speed</b> | 25Mbps  |
| <b>Upload Speed</b>           | 5Mbps   |
| <b>Month Data Allowance</b>   | 100GB   |
| <b>Cost Per GB</b>            | \$0.75  |
| <b>Monthly Fee</b>            | \$75.00 |
| <b>Plan Shape Speed</b>       | 512Kbps |

#### Other Potential Costs

- If you don't have a router or modem one can be supplied, there will be an additional outright cost for this. We will provide you with a quote for the type of service you have.
- You will need to pay for your own internal cabling if required
- If you wish to downgrade your plan to a slower speed, this will be deemed a termination and an early termination fee will apply.

#### New development fee

The nbn™Co may charge a \$300 new development fee if you are the first connection in a newly developed area, or you are the first connection in an established area where the number of premises has increased.
